

## Your Journey Road Map

*I've found my gold, and I've confronted my shadows. Now, what's the next step on my journey?*

The Crucible Project™ partners with Christian men and women to accelerate their personal growth and development. Our Initial Weekend is a pivot point in a lifelong journey, opening men and women up to continuous growth and soul work. Next steps vary for each man or woman, and they give us an avenue to harness our God-given power to affect change in our own lives and the lives of others. Visit our website at [TheCrucibleProject.org](http://TheCrucibleProject.org) for more detailed information.

### COACHING

Coaching helps you move from a stuck place toward your goals. Crucible Coaching has the express purpose of helping men and women move toward Christlikeness and become more like Jesus by uniquely combining traditional life coaching techniques with Crucible soul work. The Crucible Project offers coaching to men and women prior to attending an Initial Weekend and beyond.

### ATTEND AN INITIAL WEEKEND

Designed to challenge you to take a hard look at what is working in your life and what is NOT working in your life, it will push beyond typical Christian answers. Learn to let go of your excuses and move beyond blaming others; and look at how you are contributing to the parts of your life that are not working.

Are you ready to travel where there is no path, to encounter God, and to see what He has for you there?

After attending an Initial Weekend, we offer a number of ways to continue your journey.

### GROWTH GROUP

Growth Groups are facilitated men's and women's groups to assist and support you in applying and deepening your learning from the retreats and from what is going on in your life. These face-to-face or video-based groups meet three times monthly led by a trained and Certified Group Leader.

### JOURNEY GROUP

This peer-led group is a place to continue the work you started during your initial weekend with a group of men or women on a shared journey. It provides support and accountability in areas of your life that need growth, and are designed to help each person build on the work he or she did on their Initial Weekend and in Growth Group.

### TWO-YEAR TRANSFORMATION PROGRAM FOR MEN

Our Two-Year Program is a powerful union of a focused group, personal coaching, and the four Second-Level Weekends. This Certified Carpet Leader-led program provides growth and challenge designed to enable men to achieve the life God has made them for and called them to live. The Two-Year program offers the second-level weekends at a discounted rate, although participation in the Two-Year Program is not required to attend the Second-Level weekends, which may be attended a la carte in any order.

### SECOND-LEVEL MEN'S WEEKENDS

#### Sexuality

For most men, the word "sex" stirs up a wide range of emotions and experiences – from joy, delight and ecstatic pleasure to shame, anger and pain. Address the variety of emotions associated with sex.

#### Mission and Purpose

The core of a man's life is his purpose. Without it, a man is lost, drifting and adapting to circumstances, rather than creating events. Develop an actionable mission and align your life with it.

#### Dark Side of Leadership

Leadership is not a title; it is a character trait. With it comes hard decisions, pressure, and repercussions. Learn to make healthy decisions, stand by them, and lead others to do the same.

#### Leadership Gold

Learn to make authentic, courageous leadership a part of your core. Identify the ways you limit your leadership and break through those barriers to be a Servant-King who uses his gifts to bless those he serves.

### STAFF A WEEKEND

An opportunity to pay it forward by supporting participants as they "do their work." We grow and develop as we witness the work of others and experience the power of serving with a band of Crucible Redwoods, bringing this life-changing work to others. Any man or woman who has attended an Initial Weekend is encouraged to staff the weekend, and any man who has attended a Second-Level weekend may staff that weekend.
